Aidez nous a Aider 2025 Annual Report

2025 has been a year of growth, resilience, and meaningful impact for Aidez Nous à Aider. Throughout the year, our team, volunteers, and the migrant community we serve came together to create, inspire, and transform challenges into opportunities. From public art projects that sparked conversations about migration and social justice, to skill-building workshops empowering migrants to develop professional competencies, every initiative was guided by our mission to uplift voices that are too often unheard.

This report highlights the milestones, programs, and financial overview of the past year, illustrating how your support — through donations, partnerships, and engagement — has made a tangible difference. It also reflects on the stories, creativity, and dedication of the migrants, staff, and collaborators who bring our vision to life every day.

As we share the successes and learnings of 2025, we remain committed to expanding opportunities, fostering empowerment, and continuing to make an impact in the lives of the communities we serve.

Word from the Founder/Executive Director

As I reflect on 2025, I am filled with grati

community. Every mural painted, every skill taught, and every story shared has been a testament to the strength and courage of the migrants we work with, and to the generosity of our supporters and partners.

Our programs are more than initiatives—they are opportunities for empowerment, visibility, and transformation. Seeing migrants take ownership of their skills, their creativity, and their voices reminds me why we do what we do. Your support, whether through donations, collaboration, or simply believing in our mission, has made all of this possible.

As we look to 2026, we carry forward the lessons of this year with renewed determination. We will continue to expand opportunities, elevate voices, and build spaces where creativity meets impact. Thank you for being part of this journey and for helping us turn vision into action.

With gratitude,

Brynn Campbell

Founder & Director, Aidez Nous à Aider

Our Vision

At Aidez Nous à Aider, we envision a world where migrants are recognized as creators, leaders, and active participants in their communities. We see a future where every migrant has access to

opportunities to develop skills, share the

voices, and create platforms where creativity, learning, and community engagement come together. Our vision is a society that celebrates diversity, fosters inclusion, and values the contributions of all its members — a world where art, education, and collaboration drive meaningful change.

Our Mission

Aidez Nous à Aider supports migrants by providing opportunities to develop skills, express themselves through art, and engage in meaningful community projects. Our mission is to create spaces where migrants can contribute, learn, and share their stories, fostering connections that inspire understanding, collaboration, and positive social change.

Through our programs, we focus on practical skills, creative expression, and community engagement to help migrants build sustainable pathways for themselves while raising awareness about the challenges and contributions of migrant communities.

Projects

In 2025, Aidez Nous à Aider continued to bring art, learning, and commu

as clean-ups and tree planting, highlighted the connection between migration and climate change. Additionally, our “Merch by Migrants” initiative gave participants the opportunity to design and sell products, creating visibility and income opportunities. Each project reflects our commitment to creativity, collaboration, and meaningful engagement with the communities we serve.

ACTIVISM THROUGH ART

Activism Through Art is at the heart of Aidez Nous à Aider’s mission — using creativity to raise awareness, spark dialogue, and inspire action around the experiences of migrants and social justice issues. Since we began this project, we have completed **over 43 murals**, including one in Palestine, bringing stories of marginalized communities to walls around the world.

In 2025, we reached an exciting milestone by launching our **first Annual Mural Challenge**, inviting artists from around the globe to contribute their talent and creativity. Each mural tells a story, reflects lived experiences, and engages local audiences in meaningful conversations. By combining art with activism, we create spaces where voices that are often overlooked are amplified, and communities are encouraged to reflect, connect, and take action.

The Mural Challenge also strengthened our network of artists, collabora

MERCH BY MIGRANTS

In 2025, our Merch by Migrants initiative continued to grow, allowing migrant creators to design and produce authentic, culturally meaningful products. From shoes to other merchandise, this project allows participants to share their creativity with the world while generating income and visibility for their work.

This year, we focused on supporting the design process, production, and collaboration with local stores and partners to distribute the products. Each item tells a story — a reflection of the experiences, skills, and cultural identity of the migrants who create them. Beyond sales, Merch by Migrants serves as a platform to highlight migrant talent, challenge stereotypes, and inspire conversations about inclusion, creativity, and social responsibility.

Through this initiative, we continue to build pathways for migrants to be seen, recognized, and valued for their contributions to their communities and beyond.

In 2025, Aidez Nous à Aider continued to provide migrants with opportunities to develop practical digital skills that open doors to new professional pathways. Through online training in areas such as video editing, motion graphics, digital marketing, and content creation, participants gained hands-on experience while contributing to real projects for the organization and our partners.

This year, our online programs focused on building both technical abilities and creative confidence, enabling participants to take on freelance opportunities and enhance their employability. By combining structured learning with mentorship and real-world projects, we helped migrants turn their talents into tangible skills that can create sustainable opportunities for the future.

Online skill development remains a cornerstone of our approach, allowing us to reach participants across regions, support ongoing learning, and ensure that every individual has the tools they need to succeed in a digital world.

2025 FINANCIAL REPORT

Income

1. Google Ads Grant

- **Details:** Monthly \$10,000 in-kind grant from Google Ads.
- **Usage:** Promotes "Merch by Migrants," mural contests, skill development programs, and other organizational initiatives.

2. Donations

A Big Thank You

We extend our deepest gratitude to everyone who has supported Aidez Nous à Aider in 2025 — our donors, partners, volunteers, artists, and the migrant community who inspire us every day. Your generosity, creativity, and belief in our mission make all our work possible.

Because of you, we painted over **43 murals**, launched our **first Annual Mural Challenge**, trained migrants in **digital and creative skills**, and continued the growth of **Merch by Migrants**. Every contribution, whether through time, talent, or resources, has helped us amplify voices, share stories, and create meaningful impact.

Thank you for being part of this journey. Together, we are building a world where migrants are seen, heard, and celebrated for their talents, resilience, and creativity.
